

Vous venez de trouver une règle mise en ligne par des collectionneurs qui partagent leur passion et leur collection de jeux de société sur Internet depuis 1998.

Imaginez que vous puissiez accéder, jour et nuit, à cette collection, que vous puissiez ouvrir et utiliser tous ces jeux.

Ce rêve est devenu réalité !

Chantal et François ont créé l'Escale à jeux en 2013. Depuis l'été 2022, Isabelle et Raphaël leur ont succédé. Ils vous accueillent à Sologny (Bourgogne du sud), au cœur du Val Lamartinien, entre Mâcon et Cluny, à une heure de Châlon-sur-Saône ou de Lyon, une heure et demi de Roanne ou Dijon, deux heures de Genève, Grenoble ou Annecy et quatre heures de Paris (deux heures en TGV).

L'Escale à jeux est un ludogîte, réunissant un meublé de tourisme ★★★★★ modulable de 2 à 15 personnes et une ludothèque de plus de 9000 jeux de société.

Au total, 320 m² pour jouer, ripailler et dormir.

GAME RULES

Before you start: Remove all colored puzzle pieces by sliding them sideways out of the cube. TIP: Start with small puzzle pieces or with pieces that are not blocked.

- 1** Select a challenge. Challenges show 1 side of a completed cube. White pieces show the frame of the cube. Colors indicate the color of the puzzle pieces which are to be placed.
- 2** Put all puzzle pieces back inside the white frame of the cube:
 - None of the pieces should stick out, the result must be a perfect cube.
 - The colors of your solution on one side of the cube must match the colors of the challenge. This includes the position of the white squares!
 - Sometimes there are multiple ways to place puzzle pieces in the frame with a similar result for the visible pieces in the challenge. If the challenge for example shows 3 light blue adjacent squares, these could be part of different or the same light blue puzzle piece. So doing the setup is already part of the challenge.
- 3** There is only one solution, which can be found at the end of the booklet.
